HOPE STARTS HERE

TransEleven Claims Managers is pleased to announce the donation of a gold sponsorship to the Southwest Transplant Alliance, benefitting the **Hope Starts Here 5K**, being run on May 20, 2023 at Klyde Warren Park in Dallas, TX. This corporate contribution is being made in honor of TransEleven's founding President and CEO, **Brian Hobbs**. Brian passed away on December 23, 2021, after succumbing to injuries sustained in a tragic accident. As an organ donor, in death he was able to give hope and life to many others. Brian's family worked with the Southwest Transplant Alliance to fulfill his selfless gift of organ and tissue donation.

TransEleven is sponsoring the **Southwest Transplant Alliance (STA)** as one of their corporate charities in 2023.

"In loving memory of Brian, the Southwest Transplant Alliance is a perfect local nonprofit partner for **TransEleven**," says Chief Executive Officer, Shelle Hobbs. "We hope our sponsorship is the beginning of ongoing corporate support to help raise funds and awareness about the lifesaving importance of organ and tissue donation."

About The Southwest Transplant Alliance (STA)

The Southwest Transplant Alliance is a nonprofit organ procurement organization that saves lives through the gifts of organ and tissue donation. Founded in 1974, the STA is one of the largest federally designated, nonprofit organ procurement organizations (OPOs) in the country, coordinating organ transplantation to patients in 10 transplant centers across Texas. Since their founding, they have recovered more than 35,000 organs and saved or enhanced the lives of more than 100,000 people. For more information about the STA, visit: www.organ.org.
