Hayden King
Managing Counsel

building safer communities

*Funding Training,
Wellness Resources +
Critical Equipment*

*Community
Engagement
Programs*

Hayden King is a dedicated volunteer and financial supporter of the **Oklahoma City Police Foundation**. In 2024, the OKC Police Foundation produced its first gala--the **Blue Knight Gala**, to raise critical support funds. Hayden was involved in the inaugural year gala and has remained an annual supporter. In 2026, he plans on having a more substantial role in this vital event. The **OKC Police Foundation** and its mission hold a special meaning for Hayden's family since his father served for 21 years in the Oklahoma City Police Department and currently serves on the foundation's board. In addition to the **Blue Knight Gala**, Hayden's family attends and volunteers at as many events for the organization as possible. Hayden has also served as a coach for the Oklahoma City Police Athletic League (PAL). Thank you Hayden for donating your **time** and **treasure**.

About The OKC Police Foundation

The mission of the **Oklahoma City Police Foundation** is to provide vital resources to the department and its officers that are **not funded by the city budget** to help officers do their job safely and effectively. By investing in officer development, wellness programs and facilities, essential equipment and community engagement initiatives, the Oklahoma City Police Foundation helps build stronger relationships between officers and the neighborhoods they serve. Thanks to the foundation and its board members, officers receive necessary tools and support including mental health programs. Visit: www.okcpf.org
